For Reflection and Discussion:

1. What are examples of God's grace in Scripture and in your life personally? How are you responding to this grace?
2. What does faith look like in your life personally? How does this shape your relationships in community?
3. In what ways are you tempted to boast? How does gospel community keep this in check?
4. How are you participating in the "good works" God has laid before you? What effect does this have on you personally and in community? What role does grace play?
5. Take some time to confess sin, repent, and pray together. Rest in God's grace this week.
