For Reflection and Discussion:

1. How is Jesus' identity different from angels and other created beings? In what ways does Jesus' identity change and shape our identity personally and corporately?
2. What are some things that our worshiped in our culture? What things steal your mind's attention and heart's affection from God? In what ways does Christ reorient our worship to God?
3. In what ways are our actions and motivations in life misguided or misdirected? What is the cause of this? How is Christ redirecting your actions and motivations personally?
4. What are some objects of hope in your life? How is the gospel message of Christ the true and better hope?
5. Identify a non-Christian in your life. What are some ways you can encourage them Christ's message identity, worship, action, and hope?
