## For Reflection and Discussion:

1. Search Scripture for examples of God revealing His character and purpose. What are some of your favorite stories and why? In what ways does God reveal His character and purpose in your life today?
2. What does it mean to be "heirs of promise?" How does Scripture describe this identity? What significance does this have for you personally and for us as a church?
3. What are some examples of false hope? In what ways do you struggle in misplaced hope? How does hope in Christ change everything?
4. Think of some specific ways you can share your hope in Christ with others. Share specific settings and spheres of influence God has placed you in. Pray specifically for each other for relationships and opportunities to share hope in Christ with others.
