For Reflection and Discussion:

1. What comes to mind when you hear the word "worship?" What does worship look like in our culture? How does the Bible define worship? What does worship look like in your life personally?
2. What are some "functional saviors" in our culture? How do these "saviors" become functional centers for daily life and motivations?
3. What are some functional saviors with which you struggle? How do these functional centers derail your joy and true worship?
4. In what ways does Jesus rescue us to truly worship? What does this look like for you personally? What role does community play? How does this re-shape our motivations for daily life?
5. Take time to repent of functional saviors and false worship. Take time to rejoice in true worship of God personally and together.
